A Second December 1994 Meeting Notice

"An Evening with Roger Nichols"

DATE: Friday, December 9, 1994 - 7:30 PM

PLACE: Ironwood Studios - Studio B.
601 NW 80th St, Seattle - Phone 789-7569

DIRECTIONS: From Interstate 5 north or south exit to N 85th street westbound. Proceed west, past Aurora Ave, past Greenwood Ave, continue as N 85th becomes NW 85th. Turn south on 6th Ave NW, proceed 5 blocks south to Ironwood. Street parking.

Due to a fortuitous scheduling occurrence, the Pacific Northwest Section of the AES is pleased to present an evening with noted audio engineer Roger Nichols. There is no plan for the evening other than a lively exchange of ideas with the outspoken Mr. Nichols!

Roger Nichols is well known as the engineer for the Steely Dan, Walter Becker and Donald Fagen albums and their live tours. He is a columnist and contributing editor for EQ magazine, conducts Master Recording Workshops and is affiliated with the Audio Engineering Program of the Musician's Institute in Hollywood.
