Apologies for the rather short notice here. The Recording Academy has an Immersive Audio Listening Session at the Dolby Atmos Theater located at Microsoft Studio B (Same place as our September meeting). On the playlist are recordings nominated for the 61st GRAMMY Awards in the Best Immersive Audio Album Category. We've been invited to share the occasion with the PNW Chapter of the Recording Academy.

There is space for about 50 AES folks, which should be sufficient to accommodate people who normally attend our meetings. Still, your RSVP is needed to secure a seat at the event. Click below to RSVP.
