November Meeting Notice An Evening With Jack Endino

**7:30 PM, Wednesday, November 15, 2006
Shoreline Community College, Room 818
Shoreline WA**

[Directions to Shoreline Community College.](#)

Jack Endino is a Producer/Engineer with over 270 records to his credit. Among other things, he produced and engineered Nirvana's CD, *Bleach*.

Jack will talk about some recording tips and tricks, some aspects of recording you may never have thought about, where the future of recording might be going, and how to use the recording studio as a mad science laboratory. And... tales from the trenches of a 20-year freelance indy-rock production career!

About Jack Endino

For now, here is a link to Jack's (most interesting) [FAQ](#).

There's lots of other interesting things on Jack's website... if you care to root around.
