

AES Audio Engineering Society - Pacific Northwest Section

Around the Puget Sound, Seattle, Washington, U.S.A.

October Meeting Notice Inside a Personal Music Player Presented by J.J. Johnston AES PNW Section Committee

**Presented by
The Pacific Northwest Section
of
The Audio Engineering Society**

**7:30pm, Monday, October 20th, 2008
Opus 4 Studios
Bothell, WA**

Our October meeting delves into the innards of a bit of personal electronics that has become completely ubiquitous in an extremely short period of time: the personal music player. JJ will take us on a tour of the insides, and in the process we'll explore just how good (or not good) these units really are.

***n.b.** The material presented at our meetings is the opinion of the presenter and not necessarily that of the Society. You are encouraged to conduct your own research and to form your own opinions before adopting the presented material as Truth.*

Our meetings are open to anyone interested in Audio. AES membership is NOT required for you to attend our meetings.
