**AES PNW Section
October Meeting Notice
State of the Art in Modular Synthesis**

**Presented by
Steve Turnidge
Past PNW AES Chair
and
co-founder of the Mostly Modular Trade
Association (MMTA)
Tuesday, October 24th, 7:30pm
Shoreline Community College, Music Building, Room 818**

Steve brings us up to date with current trends from the re-emerging art and science of modular synthesis. He will introduce representatives from several local and remote modular synth manufacturers and ask them to discuss their individual approach to modular design and their new spin on this time honored art form. The meeting promises to be an inspirational mix of technical discussion, product demonstrations and an excellent preview of the October 26 MMTA Synth Fest at Shoreline Community College.

About Parking

Parking for evening events at Shoreline CC is no longer free (it may have never been free, but we apparently were lucky). Be sure to purchase a parking permit at one of the machines. You can find out more info here:
