Summer Meeting Notice

It is our custom to not hold meetings during the summer months; our calendar loosely follows that of the school system: September thru June. On occasion, we have been known to hold a special meeting during one of the summer months. Should this occur, you will be notified via this website and by email (as usual). But the truth of the matter is that your section officers need a bit of time to regroup and recharge their collective batteries, and having done that, we begin planning the next year's set of meetings.

Meeting topics are not the exclusive purview of the officers and committee. Some of our best meetings have begun with a topic suggested by one of you, our audience group. If you have a topic that you'd like to see presented, or (even better) you have a topic that you would like to present, please contact any officer or committee person.

In the meantime, **Have A Great Summer.** See you in September.

Steve Turnidge

AES PNW 2009-2010 Section Chair
