

AES PNW 2023Jan30 Zoom Chat Log - edited  
Times are PST

18:07:47 From Gary Louie, PNW Secretary : TTT - that's 3:30pm PST, with Zoom doors open at 3pm. Contact Dan for the link.

18:14:36 From Juliet (she/her) : haha

18:15:57 From Steve Savanyu : The triangle thing is known as a "Mic Flag" . Very common in the broadcast world to ID the station.

18:16:19 From Bill Gellhaus : They are just over done mike flag.

18:16:24 From Jayney Wallick : Thanks Steve.

18:16:31 From Bill Gellhaus : used in broadcasting al the time

18:16:39 From Steve Savanyu : Bill, you are so correct!! LOL

18:18:17 From Christine : mic flags are good for keeping mics from rolling off sloped lecterns on multi-presenter shows, too.

18:18:48 From Steve Savanyu : Some newer Mic designs have the rear ports setup so that if you cup the mic it won't have issues. The Austrian Audio Vocal Mics have this design. Also the new Lewitt LDC condenser vocal mic.
