

AES PNW Section Meeting Zoom Chat – 2023 Nov 9, DIY testing
Times are USA PST (edit 2023Nov14–GL1)

18:05:10 From Daniel Rafuse : No camera – but I am an AES Member.
18:05:31 From Randy Karl : I'm a member but don't have a camera
18:14:34 From Dave Quick : My name Dave Quick and I am musician, recording engineer, composer, and programmer.
18:17:39 From Juliet : For whenever I'm called, I'm Juliet Wong from Los Angeles (BA from UC Santa Cruz), musician and beginning audio engineer/producer, and waiting to pick up my laptop at the Mac Store (it's very loud here, sorry)
18:18:37 From Randy Karl : Randy Karl – Retired HW/SW engineer, musician, singer/songwriter, do recording/mixing as a hobby, in St Louis, MO
18:22:35 From Katie : Sorry, I don't have a mic hooked up, but I'm Katie McLaughlin and I do audio engineering for an experiential design firm in Kansas City!
18:22:58 From Jim Mastracco : I'm Jim Mastracco. I have been a an AES member and have been an officer in the WASH DC AES Section, as part of my 'checkered' past.
Sorry – not able to get mic working on a different computer. !!
18:31:14 From Rick Lambright : I'm Rick Lambright. Technical Advisor for the Rancho Mirage Library and Observatory here in the Palm Springs area. I was a game programmer and occasionally game composer – mostly in the Seattle area – for 25 years. I'm still actively composing.
18:37:31 From Jayney Wallick To Dan Mortensen(privately) : Hey Dan, I don't know if you can tell, but Dave Quick has his hand raised online.
18:48:49 From Bob Smith – PNW vice chair : APx555 is \$35K+
18:53:36 From SM Krawczyk : “Loomeqsoftware.com”? I couldn't make out what he said. Thank you
18:54:00 From Wayne Edwards : room EQ wizard
18:54:01 From Meghan Jimenez : room eq
18:54:02 From Steven Young : <https://www.roomeqwizard.com/>
18:54:14 From SM Krawczyk : Brilliant! Thanks
18:55:37 From Sound Suresh : THANKS
19:02:16 From Brian Dorsey : 15IPS module: <https://www.diyrecordingequipment.com/products/15ips-tape-saturation-colour-mkii>
19:05:30 From Bob Smith – PNW vice chair : Gain staging
19:17:43 From Bob Smith – PNW vice chair : What audio interface are you using for A/D D/A
19:17:47 From Rick Chinn : is REW windows or mac software?
19:18:51 From Randy Karl : Do you have a schematic or block diagram of your setup?
19:18:54 From Bob Smith – PNW vice chair : Win MacOS LINUX
19:20:11 From Bob Moses : Does REW allow you to write a test sequence with pass fail limits for production line testing?
19:21:35 From Meghan Jimenez : Adding to Bob's question, does REW allow scripting/command line control and if not, do you know of any alternatives that do?

19:24:14 From Graham Gibson : soundcheck from listeninc.com offer scripting, pass fail limits, etc. for production test
19:27:59 From Brian Dorsey : Have you used REW for characterizing microphones? And if so, how would you recommend setting things up physically? (speakers, rooms, etc)
19:31:19 From Meghan Jimenez : Reacted to "soundcheck from list..." with 👍
19:33:40 From Bob Smith - PNW vice chair : Mark of the Unicorn UltraLite mk4 is the poor person's version of RME ADI-2 pro
19:34:09 From Bob Moses : Reacted to "soundcheck from list..." with 👍
19:34:16 From Chris Myring : The new home of dScope: www.spectralmeasurement.com
19:34:32 From Bob Smith - PNW vice chair : Reacted to "The new home of dSco..." with 👍
19:35:16 From SM Krawczyk : Reacted to "The new home of dSco..." with 👍
19:39:29 From Bob Smith - PNW vice chair : Reaper is an excellent DAW
19:39:47 From Steven Young : <https://letimix.com/>
19:41:15 From Steven Young : <https://files.letimix.com/cmt>
19:41:24 From Bob Smith - PNW vice chair : Reacted to "https://files.letimi..." with 👍
19:45:44 From Brian Dorsey : How can we encourage the seminar version of microphone characterization? :D That sounds amazing.
19:46:22 From Erin Shellman : Reacted to "How can we encourage..." with 👍
19:46:37 From Steven Young : REW will do transfer function measurements. https://www.roomeqwizard.com/help/help_en-GB/html/primer.html
19:49:08 From Seth Tomlinson : Reacted to "How can we encourage..." with 👍
19:53:54 From Brian Dorsey : Thank you for the presentation!
19:54:10 From Peterson Goodwyn : Reacted to "REW will do transfer..." with 👍
19:54:41 From Prentice Tyndall : Great presentation!
19:55:11 From SM Krawczyk : Thank you!
19:55:13 From Chris Myring : Thanks, Peterson. You can teach an old dog new tricks! And thanks to Dan for hosting.
19:56:06 From Luke Pacholski : I have to run, but thanks Peterson, and good seeing folks.
19:57:15 From Bob Smith - PNW vice chair : Hornet Harmonic Pro vst
19:57:37 From Sound Suresh : Thanks for Presentation. It show different idea on it
19:57:40 From Meghan Jimenez : Thank you!
19:58:54 From Rick Lambright : Thanks very much!
19:59:23 From Daniel Rafuse : Thank you for presenting this evening!
19:59:52 From Bob Smith - PNW vice chair : Thank-you

Peterson! Excellent presentation!

20:00:11 From Phil Calvert to Everyone: Thank you – great information!

20:00:21 From Don Hartley, CTS to Everyone: Thank you!

20:00:32 From Sound Suresh to Everyone: 🙌
