- 19:38:06 From Gary Gottlieb gg@aes.org To Everyone:
But PNW does it best!
- 19:38:22 From Leon Useglio To Everyone:
We had a hybrid one here in Argentina in July too, thank you
so much for opening the possibility to be here from another part of
the world!
- 19:39:22 From David Schneider To Everyone:
Can't see the speaker in the room.
- 19:39:57 From Gary Louie PNW Secretary To Everyone:
Yes, there's only one room cam and I'm not sure who is
aiming it.
- 19:42:09 From David Schneider To Everyone:
Alas. Thanks for trying, Gary.
- 19:43:24 From Gary Louie PNW Secretary To Everyone:
It's an auto aiming cam!

20:42:47 From Jim Rondinelli To Everyone:
Comment coming...

20:57:50 From Charlie Post To Everyone:
It's getting interesting but sleep calls so I can be alert
for immersive mic tweaks on stage in the morning. Will look for the
recording ASAP. Thanks AES PNW!

20:58:48 From Jayney Wallick To Everyone:

Glad you could stop by Charlie!

20:59:12 From Jim Rondinelli To Everyone:
Question: how big is that mic

21:00:30 From marcusbuick To Everyone:
<https://www.dpamicrophones.com/immersive/5100-mobile-surround-microphone>

21:02:07 From Dan Mortensen To Jim Rondinelli(Privately):
Jim, do you have your hand up for a reason?

21:08:51 From marcusbuick To Everyone:
Why did Bruel & Kjør (and DPA) veer away from the classic tetrahedral array of the A & B-format ambisonic recording solution used by Michael Gerzon and the Soundfield folks?

21:14:32 From Gary Louie PNW Secretary To Everyone:
Marcus, we'll get your comment in when we can.

21:16:56 From marcusbuick To Everyone:
Thank You!

21:26:21 From Rod Evenson To Everyone:
My experience with the M50/TLM50/M150/KM133+diffraction sphere is that it shifts the axis of flattest response to about 60 degrees off axis as a near field response, not just in one place but along the edge of a cone around the microphone.

21:28:20 From Heather Plunkard-Serge To Everyone:
Have to drop off for the night. Thank you to the PNW Chapter folks for putting this presentation on! Very informative and much appreciated.

21:33:27 From marcusbuick To Everyone:
Thanks for everything PNW Chapter! I look forward to the recording!

21:42:30 From Charlie Fox To Everyone:
Have to go. Thanks AES PNW & DPA reps.

21:47:50 From Gary Louie PNW Secretary To Everyone:
BTW, AES has Sections instead of chapters!

21:48:10 From Bob Smith - PNW vice chair To Everyone:
Very informative meeting. Early call tomorrow. Need to call it a day.

21:48:35 From Jayney Wallick To Everyone:
Glad you could make it!

21:58:19 From Samuel Buckner To Everyone:
Thank you all. Great evening!

21:59:16 From Jayney Wallick To Everyone:
Talk about taking a licking and keeping on ticking!

22:01:18 From Tod Deeley To Everyone:
Thank you all. Much appreciated.

22:01:19 From Todd Boston To Everyone:
Thank you! Fantastic presentation!!

22:01:28 From Daniel Campoverde To Everyone:
Thank you for sharing this valuable content AES PNW. I'd love to check this recording during the day. I Good night everyone.

22:01:35 From Jayney Wallick To Everyone:
What a great presentation! Thank you so much!

22:01:36 From Rick Lambright To Everyone:
Awesome! Thanks so much!

22:01:55 From David Tang To Everyone:

Thanks much for this presentation!

22:02:14 From Ashay Dave To Everyone:
Thank you so much! Great presentation and talk. Thanks AES
PNW and DPA!

22:02:20 From Leon Useglio To Everyone:
Great information! Thank you so much, gotta go for the night

22:02:31 From Gary Louie PNW Secretary To Everyone:
No promises on when we can fix this up and post the video.

22:03:09 From Jayney Wallick To Everyone:
I see you Gary!

22:03:23 From Gary Louie PNW Secretary To Everyone:
Does anyone want breakout rooms to chat for a while?

22:03:25 From Terry Douds To Everyone:
Thanks to the PNW for hosting this, and looking forward to
the recording...plus folks, think of this in terms of sound for
NextGenTV (I.e. ATSC3) – this is what we need producers to do to
make people understand why moving forward to ATSC3 will be the
future for entertainment!

22:03:57 From Jayney Wallick To Everyone:
I'm happy to stick around if others are.

22:04:36 From Joe Carter To Everyone:
I'll stick around for awhile!

22:05:16 From Dan Mortensen To Everyone:
I've been told nobody wants to do breakout rooms, so go
ahead and talk to each other. Thanks for coming.

22:05:48 From Terry Douds To Everyone:
It's late here in the East, and we have the National EAS
test tomorrow, so I've been cobbling together my multitrack rig that
I use each year to record all our Radio & TV audio to track whether
or not we achieve success!

22:08:04 From Jayney Wallick To Everyone:
Reacted to "It's late here in th..." with 👍
